

Upper Wellington Street Municipal Class EA

Notice of Study Commencement and Public Information Centre (PIC) #1

Background

The City of Hamilton has initiated a Municipal Class EA, Schedule C process to look at transportation improvements along Upper Wellington Street between Limeridge Road and Stone Church Road.

This stage of the study will confirm the problem/opportunity statement, as well as the road cross-section, number and location of travel and turning lanes, traffic control requirements, intersection design elements and improvements, and active transportation requirements. A second PIC will be held at a later date to review the project's identification and evaluation of alternative designs, and identification of a recommended design.

Process

This project is being carried out as a Schedule C project under the Municipal Engineers Association *Municipal Class Environmental Assessment* (October 2000, as amended in 2007, 2011, and 2015).

We want your input!

Public consultation is an important part of this study and there are two ways to participate:
